Subject: Invitation to join the International Parliament of Tolerance and Peace, an initiative by the Global Council for Tolerance and Peace.

My fellow colleague, we are all confronted by the present world situation which is disturbed by the prevalent terrorism and extremism caused by racial, religious and ethnic discrimination leading to intolerance, injustice and loss of the dignity of human life among on planet Earth. This has given rise to hatred and instilled destructive ideas especially in the minds of the youth who are the future of the world.

In order to disseminate the culture of Peace and tolerance especially among the youth we have established the Global Council for Tolerance and Peace(GCTP). This aim is to inculcate and spread humanistic values of compassion, respect for life, acceptance and tolerance as a way to peace. We endeavor to do this through preventive diplomacy efforts, supporting youth initiatives and collaborations with the governments, schools and universities at

both public and private levels, research centers, thought leaders and media. We plan to recognize peace efforts of individuals and organizations by instituting annual international awards. The GCTP has signed a memorandum with the United Nations Population Fund and a convention on diplomatic immunities and privileges with the state of Malta (EU Member) where the headquarters of the council is located.

GCTP has also established among its main organs, the International Parliament for Tolerance and Peace which embodies one of the most specialized parliaments of the world dedicated to promoting peace around the world. The IPTP is in line with the International Parliamentary Union and includes representatives from international parliaments from across the world. The diplomatic immunities and privileges convention with Malta will enable the members of the IPTP to acquire diplomatic immunity and enable them to exercise their duties with independence and impartiality.

I take this opportunity to invite your esteemed Parliament to become a member of the IPTP by nominating a representative for the same. We sincerely believe that your accession will be an extremely vital addition to the IPTP and together we can make significant contributions towards world peace.

I look forward to an affirmative response from your end.

Please accept, Mr. Speaker, the assurances of my highest consideration and esteem.

Yours Sincerely,

Ahmed Bin Mohamed Aljarwan
