Dear Dr. Ayad,

At the end of my studies at the Diplomatic Academy of London I would like to stress that I thoroughly enjoyed the course - MA Degree in Diplomatic Studies. I found it interesting, of great use and as an intellectually challenging experience in my diplomatic career. The course is a well chosen blend of the academic studies with the professional training, a good combination of theory and practice and a well thought out inter - disciplinary programme indeed. It enhanced my skills and in particular it helped me a lot in establishing our Embassy in London, in getting rapidly acquainted with the British politics and entering the London diplomatic corps.

I would like to extend my sincere gratitude to you, to other professors and to pleiad of articulate and equally highly qualified guest speakers. I have already recommended to my foreign ministry that a few of young Slovene diplomats each year combine their training programme with their work at our London Embassy and studies at the Diplomatic Academy of London.

Sincerely Yours,

Božo Cerar
Counsellor
Deputy Head of Mission
